Re: *Petition of Cinergy Communications Company for Arbitration of an
Interconnection Agreement with BellSouth Telecommunications, Inc.
pursuant to the Telecommunications Act of 1996*
Docket No. 01-00987

Dear Mr. Waddell:

Enclosed are fourteen copies of BellSouth's May 30, 2001 letter to Cinergy Communications requesting commencement of good faith negotiations to enter into a new interconnection agreement and related certified mail receipt. These copies were inadvertently omitted from the parties' joint response to the Staff's January 11, 2002 data request which was filed yesterday. We apologize for the oversight and any inconvenience which may have been caused. Copies of the enclosed are being provided to counsel of record.

Very truly yours,

Guy M. Hicks

Cole Hawks
Community Telephone Corporation
(Cynergy Communications Company)
8829 Bond Street
Overland Park, KS 66214

Dear Mr. Hawks:

On November 30, 1999, BellSouth Telecommunications, Inc. ("BellSouth") and Community Telephone Corporation entered into an Interconnection Agreement. BellSouth does not wish to renew the Agreement and is therefore, in compliance with Section 251 (c)(1) of the Communications Act of 1934, as amended ("Act"), BellSouth is hereby requesting that Community Telephone Corporation commence good-faith negotiations with BellSouth to enter into a new Agreement.

Please review the BellSouth Standard Interconnection Agreement on the website at www.interconnection.bellsouth.com. Once you have had an opportunity to review the proposed Agreement, please contact me with any questions. If need be, we will begin scheduling meetings between the companies to address any issues Community Telephone Corporation has with the proposed Agreement.

BellSouth looks forward to working with Community Telephone Corporation in reaching a mutually agreeable Interconnection Agreement. Should you have any questions regarding this request or relative to BellSouth's Standard Interconnection Agreement, please do not hesitate to call me.

Sincerely,

Nicole Bracy
Manager, Interconnection Services
